EDUCATION

Ph.D in Business (1996- 2001). Department of IT&OM, School of Business, Florida Atlantic University. Graduation: December, 2001 (Total of 113 credit hours, 78 credit hours for GPA). **Dissertation Topic:** "The Impact of National Culture and Other National Level Indicators on IT Adoption and Diffusion", UMI # 3028485.

Certificate in Networking, (1994-95). Columbia University, December 1995. Major: Networks
Topics included: Network Hardware, Network Software, Telecom, Novell Netware and WINDOWS networks.

Ph.D in Computer Science, (1986). Jadavpur University, India, May, 1986. Topic: Multiprocessor Systems Modeling.

P.G. Diploma in Computer Science, Jadavpur University, India.

BS and MS in Mathematics, Calcutta University, India.

ACADEMIC APPOINTMENTS

Endowed Professor (September, 2012--), Dept. of Accounting and IS, COBA, UTEP

Visiting Senior Fulbright Research Scholar (Dec. 2011-March, 2012), IIM Lucknow, India.

Full Professor (2011-Present) Dept. of IDS, University of Texas at El Paso.

Tenured Associate Professor (2006-Present) Dept. of IDS, University of Texas at El Paso.

Assistant Professor (2002-2005) Dept. of IDS, University of Texas at El Paso.

Assistant Professor (2000-2002) CISA, CAB, LATECH University.

Ph.D Researcher and Instructor (1996- 2000) Florida Atlantic University. College of Business, Department of IT&OM.

Visiting Scholar (1993) Electrical Engineering Department, Stanford University.

Associate/Assistant Professor in Computer Science/Eng. (1987-93) Aalborg University, Denmark.

INDUSTRIAL APPOINTMENTS

Five years of industry experience in programming and systems analysis.

Systems Analyst /Project Manager (1983-87), CCC Software Professionals, Finland and CMC and WEBEL, India.

BASIC SCHOLARSHIP

Areas of Interest: Values, Global Information Technology, Security, Diffusion of Innovation, Offshoring/Outsourcing, E-Government and E-Business etc.

RESEARCH GRANT(S) IN IS

- 2014, COBA grant of \$12,000 in support of the research project:: Russian Diaspora and ICT Adoption
- 2013, COBA grant of \$12,000 in support of the research project: IS Professionals Values
- 2012. COBA grant of \$12,000 in support of the research project, “ ICT and Informal Economy”
- 2011. COBA grant of \$20,000 in support of the research project, “ Generational Differences in ICT Use”
- 2010. COBA Grant of \$ 12,000, in support of the research project, “Schwartz’s Values and ICT adoption/use”.
- 2009. COBA Grant of \$ 12,000, in support of the research project, “LAN TAM”.
- 2008. COBA Grant of \$ 12,000, in support of the research project, “Software Defects”

- 2007. COBA Grant of \$ 5,000, in support of the research project, “E-book Adoption Intention Analysis with UTAUT and Extended Cultural-UTAUT”.
- 2005. COBA Grant of \$2,500, jointly with K. Putnam of Accounting Department in support of the research project, “The Role of Culture etc., In Tax Revenue of a Nation”.
- 2005. COBA Grant of \$5, 000 in support of the research project, “The Role of Informal Groups In Technology Adoption.”
- 2005. URI, UTEP grant of \$500 in support of the research project, “IT Budget Growth & Impact of Price”.
- 2004. College of Business Administration, UTEP. Summer Research Funding of \$5,000 in support of the research project, “Global Telecommuting Growth: The Role of Culture, Trust, Economy and Technology Infrastructure—A Research Model.”
- 2002. URI, UTEP grant of \$2,700 in support of the research project, “IT Diffusion in Latin America and Other Parts of the World: An Empirical Study.

COMPUTER SCIENCE/ENGINEERING REFEREED RESEARCH PAPERS

More than 40 refereed and published papers in international conference proceedings, books and journals. (See the last page)

OTHER RELATED WORK EXPERIENCE:SERVICE

1. Editor/Editorial Review Boards
 - a. **Editor-in-Chief**, Journal of Information Privacy and Security (JIPS), 1st JULY, 2012-
 - b. **General Chair**, PreICIS Workshop on JIPS, 2012, 2013
 - c. Member of Editorial Board, Journal of Global Information Technology Management (JGITM). I was a member of JGITM editorial board 2004-2010.
 - d. **Associate Editor**, I have been as associate editor of JGITM (2011-).
 - e. Associate Editor, I was an associate editor of International Journal in Computer Simulation (1993-1994).
 - f. Special Issue Editor. I have edited various special issues for the International Journal in Computer Simulation (three issues in 1996-1999).
2. Mini-Track Organizer (with P. Kirs, G. Udo, R. Kishore etc.), AMCIS 2006-AMCIS 2009. Organized/co-organized two mini-tracks each in 2006, 2007, 2008 and one in 2009, 2010. Associate Editor, Global Issue Track, ICIS 2011-2013.
3. **Joint Program Chair, Global Information Technology Conference, Atlanta, 2008.**
4. Reviewer
 - a. Panelist for NSF, Graduate Research Fellowship Program, 2003
 - b. Ad-hoc Reviewer: JGITM. I have acted as a JGITM ad hoc reviewer for 2 years (2003-2004)
 - c. Reviewer: EJISDC, IJEC, JITTA, IEEE TEM, CACM, JMIS, DSS, Strategic IS Journal, Review of World Economics, New Media and Society Journal, Computers and Education

- d. Reviewer, DSI 2002-2010, ICEL 2006-10, HICCS 2006, AOM 2006
 - e. Reviewer, AMCIS 2002-2010
 - f. Reviewer ICIS 2004, ICIS 2005,2008,2009, 2010, ICIS Workshop 2008
5. Organization Officer
- Associate Editor**, ICIS 2011, 2012, 2013
 - o Session Organizer and Chair, AMCIS 2006-2010
 - o Discussant, Annual AOM Conference, 2007
 - o Finance Chair of Mascots 2004
 - o Session Chair of DSI 2003
 - o Member, Global Information Technology (GITM) Board
 - o Session Chair of ISOneWORLD, 2004
6. Organization Committee/work
- a. Member of Program Committee, ICEL, 2006-2010.
 - b. Member of Program Committee, IRMA, 2006.
 - c. Member of Program Committee, IEEE IRI-2004 Conf.
 - d. Member of Organizing Committee, IEEE Mascots 2004 Conf.
 - e. Member of Programs and Meetings Committee, DSI Conf., 2002-2004.
7. Member of Organizing Committee, IEEE Mascots Conference. I was a member of the organization committee since 1993-2010.
8. Community Work, Participator in Think College Now—Texas Scholars Program, 2003-2004 and 2004-2005.
9. Professional Meetings Attended: DSI (since 2002), AMCIS (since 2002), ICIS, GITM, IEEE IRI, ISOneWorld, Professional Seminar on Information Economics, E-Government Conference (2006), AOM (2006-07), Int'l Smart-Sourcing Conference (2007).
10. Council Member, Gerson Lehrman Group Councils (GLG), USA.
11. Member of various college committees at UTEP: Faculty hiring committee, Tenure promotion committee, Undergraduate/graduate curriculum committee, MBA admissions committee etc
12. Member of the UTEP University Senate: 2005-2008.
13. External Reviewer, Ph.D Dissertation, Aalborg University, Denmark, 2008.
14. Chair of a candidate's Ph.D Dissertation Committee, COBA, UTEP, 2007-2008.
15. Chair of a candidate's Ph.D Dissertation Committee, COBA, UTEP, 2010-2013.
16. Chair of a candidate's Ph.D Dissertation Committee, COBA, UTEP, 2011-2014
17. Chair of two candidate's Ph.D Dissertation Committee, COBA, UTEP, 2012- .

OTHER SKILLS

Computer Software, Programming Languages etc.: C/C++, Visual Basic, HTML/Javascript, Cobol, Pascal, Fortran, 4GLs, Networks, MS Office Suite, Systems Analysis and Design, Database.

HONORS/AWARDS

- **Best Paper Award, GITMA 2014, Philadelphia**
- **Endowed Professorship, Phillips and Phillips, 2012-**
- **Senior Fulbright Scholar, 2011-2012.**
- Distinguished Paper Award (Track: Information Security): DSI 2009 Conference.
- Best Paper Nomination: IACIS 2007 Conference.
- Best Paper Award, IDS Dept, IS track, UTEP, 2007-2011 (5 years), 2013, 2015
- Excellence in Graduate Instruction. IDS Dept., 2013
- Excellence in Doctoral Instruction, COBA, UTEP, 2014.
- Organizational Leadership Award, GITMA, 2008.
- Best Paper Award: GITMA Conference, 2003
- Best Track Paper: AMCIS 2003 Conference
- Best Paper Nomination: AMCIS 2003 Conference
- Selected as a *member* of International Whos who of Professional Educators, 2002.
- Selected as a *member* of New York Academy of Sciences, 1992.
- Cited In Marquis *Whos' Who in Science and Technology*. 1994-95.
- Cited In Marquis *Whos' Who in World*, 1992-93.
- Selected for the 1999 *Doctoral Student Consortium* of the Decision Sciences Institute.

TEACHING EXPERIENCE

Courses Taught

Summary. High/fair ratings in all courses. Experienced with international, older and working students as well as standard student populations, large and small classes. Several years of teaching experience. Can also teach programming languages.

- Diffusion and Impact of IS (Ph.D Graduate Course)
- Business Data Networks and Telecommunications: Graduate Course
- Impact of IT: Graduate Course
- Strategic IT: Graduate Course
- Current Topics in IS: Graduate Course
- Management of IT: Graduate Course
- Computer Networks and Data Communications: Under-graduate Course
- Introductory MIS—undergraduate course
- Electronic Commerce and Web Programming (using Java Script)
- Introduction to MIS and Office Suite
- Fundamentals of Business Statistics
- Quantitative Methods in Business
- Systems Analysis and Design
- Object Oriented Programming with Java
- Data Analytics

Other Teaching-Related Activities

- I mentored many Masters Students and advised undergraduate students.
- I have supervised independent projects at undergraduate and graduate levels.
- I also co-designed the MS in CIS course for COBA, UTEP. Introducing a course on “data analytics”
- I am presently supervising two Ph.D students, 2013-

- I have supervised three Ph. D dissertations and was a member of the doctoral committee of 3 graduate students.

- 1992-1996. Journal Associate Editor, International Journal in Computer Simulation, Ablex Publishers.
- 1993-94. Board of Directors, SCS
- **Technical Co-Chair, IEEE/ACM Mascots Workshop, 1993**

Teaching

Taught various courses on parallel processing, computer architecture etc., at Aalborg University, Denmark and a course at the University of Oulu, Finland.

Books

I have edited/co-edited four books on Computer and Networks Performance Modeling and Simulation (published by Gordon and Breach), during my tenure as a Computer Science Researcher. These are:

- Advanced Computer Performance Modeling and Simulation [Hardcover]
ISBN-10: 9056995693
Kallol Bagchi (Editor), Jean Walrand (Editor), George Zobrist (Editor)
- Advanced Computer System Design [Hardcover] ISBN-10: 9056996347
George Zobrist (Editor), Kallol Bagchi (Editor), Kishor Trivedi (Editor)
- Network Systems Design [Hardcover] ISBN-10: 9056996355
Erol Gelenbe (Editor), Kallol Bagchi (Editor), George Zobrist (Editor)
- Network Performance Modeling and Simulation [Hardcover]
ISBN-10: 9056995960
